Dear Jess;-

I am just exreceipt of two photoes, and I assure you that I am very glad to get them, some time in the near future I will send you one of my Fathers and myself and show you that you are not the only one that has a bdd head, I am the only one in our family that has a forehead like my father and grandfather,

I was in El Paso Texas few weeks ago, and located one of my cousins, and she had a photo of grandfather and I tryed to get it, but nothing doing, she is the daughter of West Collier, I have'nt been able to get in tuch with him, she has the old family bible that has some data of the family but not complet, her address, Mrs A.M.Harryman, El Paso Texas, 1111 Stevens St. She could not give me any record of the family, Uncle West has been married about four times, and it will be hard to get any record of his family,

Have been looking for you to make a trip through this country all this summer, I have'nt been here all the time, but I think I will be here about thirty days, I am figureing on a contract and if can close same will be in New York about three months, if I dont land this will be open for contract, if you have'nt got a representive in this State and would want to let some one have your line on commission bases would like to take it up with you, if I dont go to New York in the next three weeks,

My best regards to you and yours,

Very truly,

J. J. Collier
